FYP

Mock Test

I'm respected to be part of a group of experts who effectively created Mock Testing which is providing an immersive experience. We made platform for everyone who wants to do preparation for competitive exams. We provided them all data, past papers, current affairs information, online quiz, online and topics for essays on one platform.

PERSONAL PROJECTS

Tic Tac Toe (Game)

- The Project was based on Android Studio (Java)

Hostel Management system

- The Project was based on HTML, CSS, JavaScript and MySQL

Guessing Number (Game)

- The Project was based on Android Studio (Java)

Dairy Farm (Mobile Application)

- I have successfully developed a dairy farm app in which we can Add, Delete, Search and Update the data of different breeds and based on these data, it can classify different breeds and calculate milk using firebase.
